Jessica:

Bart and I have added some things to your report. Let me know if you need more or have other questions. I can only do so much as a SEE but I usually don't let that stop me. I live by ask for forgiveness not permission. Don't give up on me I will eventually get to the other things you sent me; don't be surprised if you don't get many responses from others to your requests.

Thanks;
Bill

Bill take a look, add your comments and please forward to Jessica.

I edited the file and added my comments in redline/strikeout.

Bart and Bill,

Could yall take a look at this document and edit/change/add to it as needed? I tried to pull as much information from the SSS as possible, but I wasn't able to find everything. Could yall double check my entries and fill in the fields that I left blank?

Thanks,
